Alice Brady in Maternity, Feature Photodrama for Today at the Majestic Roof Garden and Auditorium-Prize Dance Wednesday Evening.

When the local theatregoers see popular Alice Brady in Maternity at the Majestic Roof Garden today they will not only see one of the most brilliant and unusual photodramas ever filmed but they will also see the most startling and realistic fire scenes ever flashed on a screen. As the result of its effects upon the woman who participates in it, happiness comes to her and her husband. Who stay for it, who pray for it, sur

These who face the red days—the white nights of fury.

Where death like some med resper hacks down the living grain. They shall see our fing arise like a glory in the skies—
